Ride for Rights - March 26th, 2022

Celebrating National Developmental Disability Awareness Month

On March 26, The Arc of Southwest Georgia will be hosting our first poker run: Ride for Rights. While Ride for Rights will allow community members to spend a day of fun riding together, this event will more importantly raise awareness for the challenges and needs of Southwest Georgians with disabilities, as well as be a visible show of support for disability inclusion.

We invite you to join with us as we fight for disability inclusion in our community. Whether that's riding along with your fellow community members, attending our event, or even serving as an event sponsor, your collaboration will be instrumental as we strive to support the thousands of Southwest Georgians with disabilities!
